HLI Excess Baggage

Excess Baggage refers to items that exceed the weight, size, or quantity limits set by the airline.

Typically, airlines allow baggage within a certain limit based on the type of ticket and travel class. Baggage exceeding this limit falls into the category of excess baggage.

Keep Your Luggage Hassle-Free, Focus Fully on Your Hajj/Umrah

Relax, bring everything home effortlessly with HLI's excess baggage service

HLI Excess Baggage is a smart choice to ensure a comfortable journey free from unnecessary hassles.

Problems caused by excess baggage :

- High airline fees for additional baggage.
- Limited space and discomfort during the journey.
- Stress and delays during the check-in process.

Excess Baggage

Usage and Application

5 Easy Steps for Booking Excess Baggage Shipping

Download & Install

The Group Leader will guide the pilgrims to download and install the app available on the Play Store and App Store, as well as conduct training on how to use the app. It is better to do this while still in Indonesia.

Login

Pilgrims log in by entering the registered passport number and the standard password. They are directed to change the password to make it more personal.

Data Input & Shipment

Things that need to be input:

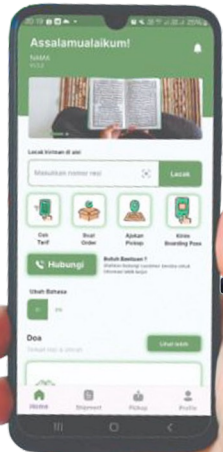

1. Select the box that has been purchased;
2. Fill in the shipment data;
3. Choose the service based on cost and SLA (this will determine whether the shipment is via air or sea).

Handover of Goods

The group leader can receive the goods to be handed over to the drop point counter, or the pilgrims can directly submit them to the drop point. The drop point can view the shipment data in the system, conduct a manual check, and validate the order.

Payment

The cost details are determined according to the terms and conditions.

Excess Baggage

Usage and Application

5 Easy Steps for Booking by the Group Leader

Download & Install

The Group Leader will receive training on using the system from the operator. Download and install the application available on the Play Store and App Store.

Login

Log in by entering the user login credentials created by the KBIHU admin. You will be directed to change the password to make it more personal. The Group Leader can view the list of pilgrims under their group or add new pilgrim data if needed.

Data Input & Shipment

Things that need to be input:

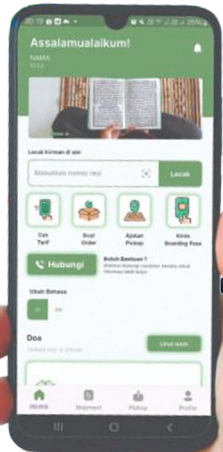

1. Select the box that has been purchased;
2. Fill in the shipment data;
3. Choose the service based on cost and SLA (this will determine whether the shipment is via air or sea).

Handover of Goods

The Group Leader can receive goods from pilgrims to be handed over to the drop point counter. Simply scan or call out the passport number and mark the item as received. Perform a manual check and validate the order. There is a handover process of goods from the Group Leader to the Drop Point.
